How to find CRT by Car

CRT is located at the arrow actually on Newmarket rd; the car park is off Harvest Way at the rear

If you don't know Cambridge, the easiest way is to come in on the A14 Teversham exit, A1303, head straight into Cambridge (the A1303 merges into the A1134) drive past the airport, past B&Q. At the traffic lights with the Renault garage on the right, turn left (Coldhams Lane), turn immediately first right (New Street), follow the one way

system into Harvest way and we are on the right (look for orange and green crane & containers)
