## Specialised Reefer Ship Course

A Course Designed For Surveyors, Reefer Ship Personnel, Agents and Carriers of Perishable Products

### Scope:

This course is intended for users of specialised reefer ships and reefer containers. It is an intensive one day course.

### Objective:

To give participants an insight into reefer ships, new reefer technology, reefer logistics, cargo care, packaging and cargo handling.

### Certificates:

Participants who successfully complete the course will be issued with a course completion certificate.

### Location:

The course will be held at CRT's Training Centre at Cambridge. Course begins 09:30 am until 17:00 hrs.

For enquiries and further information contact CRT direct on:
